PRIVY COUNCIL

Certified to be a true copy of a Minute of a Meeting of the Committee  
of the Privy Council, approved by His Excellency the Governor  
General on the

27th July, 1966.

The Committee of the Privy Council have had before them a report dated 19th July, 1966, from the Minister of Northern Affairs and National Resources representing:

That by an Agreement of Sale made with Her Majesty in right of Canada as represented by the Minister of Northern Affairs and National Resources and dated the 17th day of November, 1954, Wilbert Cornell Sturgeon agreed to purchase Lot 10, Block 29, in the Town of Yellowknife in the Northwest Territories more particularly described in the attached Schedule:

That pursuant to an agreement dated the 7th day of May, 1946, between the Minister of Veterans Affairs and the Minister of Mines and Resources now the Minister of Northern Affairs and National Resources, The Director, The Veterans' Land Act, pursuant to section 38 of the Veterans' Land Act approved on the 6th day of December, 1954, financial assistance in the amount of \$2,320 to assist the said Wilbert Cornell Sturgeon, a veteran, in the development of the said land;

That in the year 1957, the said Wilbert Cornell Sturgeon purported, contrary to the terms of the said Agreement of Sale, to sell his interest in the said land by signing a release to Jacob Isaac Glick of Yellowknife in return for financial advances made to him by the said Jacob Isaac Glick;

That the said Wilbert Cornell Sturgeon is alleged to be in New Zealand;

That Jacob Isaac Glick has rebuilt the dwelling on the said land and now requests that Letters Patent to the said land be issued in his name;

That The Director, The Veterans' Land Act has estimated from the best information available that the market value of the property as of the date of release to Jacob Isaac Glick was \$1,000;

- 2 -

That as Wilbert Cornell Sturgeon did not personally occupy and operate the property for the ten-year period prescribed in the said agreement made the 17th day of November, 1954, the grant of \$2,320 may not be considered as having been earned and as having become a non-recoverable expenditure;

That Jacob Isaac Glick has a financial interest in the land and to protect that interest has tendered an amount of \$1,000 in respect of the market value of the land and improvements made by expenditure of the funds approved under the Veterans' Land Act;

That The Director, The Veterans' Land Act, deems it advisable to accept \$1,000 for the said land and improvements and to concur in the issue of Letters Patent to the land to Jacob Isaac Glick as assignee of the interest of the said Wilbert Cornell Sturgeon;

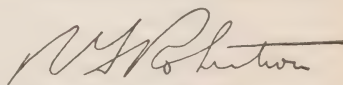

That the said Jacob Isaac Glick has paid \$1,000 by cheque to the Department of Northern Affairs and National Resources;

That the Department of Northern Affairs and National Resources cannot pay to The Director, The Veterans' Land Act, the said \$1,000 and issue Letters Patent to Jacob Isaac Glick without the approval of the Governor in Council.

The Committee, therefore, on the recommendation of the Minister of Northern Affairs and National Resources, advise that Your Excellency may be pleased

- (a) pursuant to section 4 of the Territorial Lands Act, to authorize the issue of Letters Patent granting to Jacob Isaac Glick, businessman, the lands described in the attached Schedule; and *Mr Smith*
- (b) to approve payment by the Department of Northern Affairs and National Resources to The Director, The Veterans Land Act, of the sum of \$1,000 paid to the Department for such lands by the said Jacob Isaac Glick.

That the French Foreign Ministry raised with the Canadian Government in 1952 the question of damages allegedly sustained by the Compagnie Francaise des Mines d'Or au Canada during the war years when its mining properties in British Columbia were legally under the control of the Canadian Custodian of Enemy Property. In 1959, this French company, with the support of the French Government, advanced a claim against the Canadian Government for \$350,000;

That the Secretary of State for External Affairs, with the concurrence of the Minister of Finance and the Secretary of State, informed the French Government on January 15, 1964 that the Canadian Government acceded to the French Government's request for a valuation of the claim by an independent expert to be agreed to by both parties, and undertook to make an *ex gratia* payment to the Company should the valuation warrant it;

That the French and Canadian Governments also agreed that the cost of the valuation, which is estimated not to exceed \$10,000, would be borne equally by the Government of Canada and by the Company;

That sufficient funds are held in the Administration Account of the Custodian to defray Canada's share of the fees and expenses of the expert.

The Committee, therefore, on the recommendation of the Secretary of State for External Affairs, concurred in by the Minister of Finance and the Secretary of State, advise that an amount not to exceed \$5,000 be paid from the Administration Account of the Custodian to the independent expert agreed to by Canada and the Company in respect of the Expert's fees and expenses.

The Committee of the Privy Council have had before them a report from the St. Lawrence Seaway Authority representing:

That in a submission to the Governor in Council of 6th July, 1966, requesting conveyance of certain land to the Township of Edwardsburg, a clerical error was made which reads "lot 190" instead of "lot 19"; and
